Transitional Provisions applying across the FCA Handbook and the PRA Rulebook

- (1) The purpose of these transitional provisions is to assist a smooth transition at cutover. They comprise various technical provisions that will apply across the whole *FCA Handbook* and *PRA Rulebook* and achieve results that most people would probably expect to apply in any event.
- (2) These transitional provisions consist of general transitional provisions, which apply at a high level of generality, and more specific transitional provisions in relation to record keeping and notification rules.
- (3) The more specific transitional provisions relating to record keeping and notification rules override the general transitional provisions. Both the general and the more specific transitional provisions do not apply if the context requires otherwise and are subject to any more specific transitional provision elsewhere in the *FCA Handbook* and *PRA Rulebook* relating to the matter.
- (4) Definitions for these transitional provisions, additional to those in the *Glossary*, are provided at paragraph 15 of the table.

6	Paragraph 5	G	For example, SUP 11.6.4 R requires a <i>firm</i> authorised by the FCA to notify the FCA when a change in <i>control</i> , previously notified under SUP 11.4.2 R , has taken place.
