Purpose

25.1.6 G

(1) One purpose of the *management responsibilities map* is to help the *firm* and the *FCA* satisfy themselves that the *firm* has a clear organisational structure (as required by the *regulatory system*).

.....

- (2) It also helps the FCA to identify who it needs to speak to about particular issues.
- (3) The management responsibilities map helps the FCA to operate its powers and requirements for individuals. For example it helps the FCA:
 - (a) to identify who is accountable if something goes wrong;
 - (b) to understand the role of the approved person (or candidate) in the firm and therefore to judge how to use its powers under the regime for SMCR firms, such as the power to grant or refuse approval of an SMF manager or to amend or impose conditions.
